BARBELL STRENGTH - A strength training workout using barbells and adjustable weights. The class is designed to work every major muscle group in your body by also incorporating the use of hand weights, tubing and body bars.

BASIC YOGA - Great class for beginners or anyone who wants a slower paced yoga class. We focus on basic classic yoga postures, alignment and breathing techniques. We explore ways to increase strength, increase range of motion and improve balance. At the end of each class we offer a relaxing recovery. Any necessary props will be provided.

CIRCUIT BLAST - Come and experience the energy of a group fitness class and build strength and stamina. This simple, easy to follow workout will give you a full body workout using a variety of equipment. A perfect start to a new you!

CORE CENTRIC - Combining the principles of Pilates and Yoga with the use of weights, bands, balls and barre. An emphasis is placed on strengthening the core and more. Variety makes this cross-training class challenging in a different way each week. Look forward to improved balance, strength and flexibility (and fun).

**EXPLOSIVE CIRCUIT** - High energy class using a variety of simple but heart pumping step, plyometric and toning moves. A great class for burning those extra calories and toning ALL of those muscles.

GENTLE EXERCISE - Improve your strength, flexibility, balance and mobility. Gentle exercise is a primarily seated class that will give you all the health benefits of exercise in a relaxed and motivating setting. This is a great workout for pre-rehab/rehab individuals and for those who want to increase strength and range of motion.

HIP HOP HUSTLE® - Burn up the dance floor and burn calories too! Hip Hop Hustle™ blends hip hop and dance moves, making them simple and easy to follow. This workout feels more like a night on the town than exercise. Drop the pounds and get rapid results while you dance!

LITE N'LIVELY - A gentle workout with low impact activities and light weight bearing exercises to build strength, stimulate bone growth and improve balance/posture.

LINE DANCING - Have you ever wanted to be able to join the fun at weddings or clubs when you saw people line dancing? In this program you will learn a variety of line dances that will let you join in the fun.

MIXXEDFIT® - Come dance to your favorite songs on the radio without any complex or difficult choreography! A perfect blend of explosive dancing and bootcamp inspired toning. If you can do things like squats, jumping jacks, and shaking that booty, you will have a blast in this class.

MULTI-LEVEL YOGA - Experience a variety of teaching styles in this multi-level yoga class. Yoga offers improved flexibility, strength, balance and the means to learn relaxation techniques to relieve stress. Modifications make this class accessible to all and appropriate props

MUSCLE IN THE MORNING - Balance out your training with a morning devoted to building strength. This class is low impact and focused on form. Stronger bones, reduced stress and greater fat loss are just a few of the awesome benefits of strength training. All levels welcome!

PILATES FIT - A deep toning total body workout focusing on correct alignment, flexibility, core strength and a beautiful posture. Pilates Fit combines original Pilates exercises with innovative fitness moves creating an exciting and fun workout.

PILOXING® - Piloxing is a unique blend of muscle sculpting standing Pilates, the cardio of boxing and the sensuality of dance all to give you a fun and high energy interval workout.

PIYO® - There's no time to stop and chant in this class because you won't pose you'll push it! We crank up the music, the speed, and the fun to give you an intense, yet low-impact workout that will burn crazy calories for a long, lean, beautiful physique. This dynamic fusion workout combines the core benefits of Pilates and flexibility of flowing yoga movements. You'll sweat, stretch, and strengthen-all in one PiYo workout!

R.I.P.P.E.D®. - Resistance, Intervals, Power, Plyometrics, Endurance all in one class. Set to amazing music, this fun athletic based format will get you in the best shape possible.

STEP - Old is new again in this intense step workout that offers the latest in step choreography. This class combines a variety of moves, intervals and creative use of the step to provide you with an amazing workout! Some basic knowledge of step is helpful.

TRX STRENGTH, BOXING & CARDIO CONDITIONING - Challenge yourself with a full body workout for ALL fitness levels! Cardio intervals including boxing and calisthenics will get your heart rate up and keep your metabolism running in high gear. TRX utilizes a system of straps to push, pull, lift and lower your body for a total body suspension workout strengthening from the core. Every movement can be modified to each individual's fitness level and mobility.

TURBO KICK® - Ultimate cardiovascular challenge utilizing kickboxing and hip hop style moves, complete with bouts of intense intervals and specially designed strength and toning sections. Burn LOTS of calories, while having FUN with great moves and awesome music!

VINYASA FLOW - Vinyasa is a translation from Sanskrit meaning "connection". In this class we'll connect the breath with movement as we flow through the poses. Lots of variations will be shown throughout the class so the class becomes your own. Props may be used including straps, blocks and the wall. A vinyasa flow class will improve your strength, flexibility and also release toxins from the body and reduce tension. All levels are welcome.

ZUMBA® - Zumba is a fusion of Latin and International music. The routine features aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. It is a mixture of body sculpting movements with easy to follow dance moves.

**ZUMBA® GOLD** - This class will appeal to those younger or older, who are new to Zumba. We have fun learning moves at a level which anyone can be comfortable with. "Ditch the workout, join the party!"

# KID FITNESS -

YOUNG WARRIORS- This class is for kids ages 5-11 to explore the fun and safe benefits of yoga. We will practice yoga poses and play games all while building self-awareness and gaining a positive attitude toward physical activity. Guided meditation will help to calm them and ignite their imagination. This is a class that will encourage patience, enthusiasm and curiosity.

ZUMBA KIDS JR/ZUMBA KIDS® - The ultimate dance-fitness party for young Zumba fans, where they can play it loud and rock with friends to their own rules! This program features ageappropriate music and moves that get kids movin' to the beat. It's all about feeling fearless on the dance floor, reinforcing the idea that it's okay to just be yourself and dance like no one's watching!

**ARTHRITIS AQUA CLASS** - This program allows you to exercise without putting excess strain on your joints and muscles. The gentle activities in warm water, with guidance from a trained instructor, will help you gain strength and flexibility. The water is a safe, ideal environment for relieving arthritis pain and stiffness.

**AQUACISE** - Water Aerobics classes which offer a variety of moves in the 'forgiving' environment of WATER!! Cardio, strengthening of core (abs), strength & resistance training and balance & coordination are all a part of a full body workout with our variety of instructors. We offer fitness and fun early-to mid-morning and evening classes to get you moving for a healthy lifestyle, no matter your age or current level of fitness.

**AQUA ZUMBA®** - Perfect for those looking to make a splash by adding a low-impact, highenergy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy, latin and world rhythms with water resistance, for one pool party you don't want to miss! (Class content subject to change if sub is needed.)

- Hey all you volleyball fans, come out for a non-competitive, cardio-fun, water volleyball class! Just like playing a regular game of volleyball, but doing it in the pool. A short warm-up and stretch and then let the fun begin!

AFTER YOU HAVE REGISTERED—Please remember that registration is just the first step toward participating in the programs, and it does not guarantee you a space in the class. Registration confirmation will not be mailed, but can be emailed if email address is provided. However, if you do not hear from us after the registration date has passed, you can contact us at 815.338.4363 to verify your registration. We will contact you if we have difficulty in processing your registration, for reasons such as; the program is full; you have not enclosed the proper amount of payment; we cannot confirm that you live at the address you wrote down; etc.

REFUNDS—We make every effort to expand class size or add classes to accommodate demand for our programs. If we do not have room in our program for you, we will notify you and issue a full refund. All refunds, when requested by the participant prior to the start of the program will be assessed a \$5.00 processing fee to help offset costs. There are no refunds once a program has begun, two weeks prior to a bus trip, or for season pool passes.

CHILD CARE—We understand that it is sometimes difficult to arrange for child care during our programs. Unfortunately, we are not able to accommodate children at any of our adult programs. Siblings and other individuals who are not registered for a program may not attend.

**EMAIL POLICY**—At the Woodstock Recreation Department we are committed to protecting your privacy. We use the email addresses we collect to process your receipts and to keep you up to date with news and special offers. We do not sell or rent individual customer names or other personal information to third parties. We are not responsible for confirmation emails that do not reach your email account.

## AMERICAN RED CROSS LEARN TO SWIM PROGRAM

### 4 Years & Up

The American Red Cross Learn to Swim Program is designed to enhance participant's ability to progress from one level to the next. Personal water safety skills and information are included in all levels. It is not unlikely for a child to repeat a level more than once before passing. A child's attention span is also a key skill which is required in passing from one level to the next.

### **BRIDGE COMMON BRIDGE SITUATIONS**

Age: 18 & up

There are common situations that come up in the bidding of a bridge hand that seem to perplex most of us. We will look at a number of these and discuss the options that seem to be available and why the "book" answer makes sense. We will bid and play hands after a general discussion to reinforce the learning. You do not need a partner to attend, but what better way to win more frequently at the bridge table. 6 classes Min/Max: 3/24

# IF YOU ARE A FIRST TIME POOL PASS PURCHASER

Each family member four years or older must have their picture taken. PROOF OF RESIDENCE AND ALL CHILDREN'S BIRTH CERTIFICATES ARE REQUIRED THE FIRST TIME PASSES ARE PURCHASED.

Family passes are valid for immediate family members defined as parent(s) and dependent children (under 18) living at the same address. A maximum of two adults is allowed on the pass. (Excludes nephews, nieces, cousins, aunts, uncles, grandchildren, and grandparents.) A photo pool pass will be required for admittance. Children age 3 and under are admitted free with a paid adult and are not required to have a pool pass.

FIND US ON FACEBOOK

# IF YOU PURCHASED PASSES LAST YEAR AND STILL HAVE YOUR ID CARDS

Pictures will not have to be re-taken, unless an individual's appearance has changed. Just fill out a renewal form on page 39, pay the appropriate fee and your passes will be updated in the computer. We recommend children's pictures to be re-taken every three years as their appearance will change.

# IF YOU PURCHASED PASSES LAST YEAR AND DO NOT HAVE YOUR ID CARDS

Fill out the renewal form and bring it to the Recreation Department to make your payment and pick up new cards. Pictures will not need to be re-taken unless an individual's appearance has changed.

## **SOCCER**

# Recreation & Travel Soccer Woodstock United Soccer Association (WUSA)

Recreation (House) Program is for players to learn fundamentals of the game while developing self-esteem, teamwork and a winner's attitude. We achieve this through our six philosophies; everyone plays, good sportsmanship, open registration, balanced teams, positive coaching and player development.

Crossfire Travel Program is a program that takes the players the next step into competitive soccer. Our goal is to emphasize competitive soccer through individual development, team commitment, good sportsmanship, positive attitude and soccer fundamentals to provide our players with the skills to prepare them to play in High School and eventually College. We achieve this by using USSF licensed soccer coaches to organize and train youth travel teams that seek the highest level of team competition at local, state and regional levels.

#### CLUB CHALLENGER:

This monthly after-school program will occur on the **first Tuesday** of each month, from 4:00-5:30 pm. Each month, we will focus on a different area of STEM – science, technology, engineering, and math. This program is for those in 3rd-5th grade.

Cost for Spring 2015 Club Challenger enrollment is \$60 for all four dates (early-bird). Cost will increase to \$70 per student after January 1st. All students will receive a t-shirt as part of the program fee. Enrollment is for all four dates. Registrants may not pick and choose dates that they want to attend. The program fee is nonrefundable. Pre-registration is required and can be done on our website at www.challengerillinois.org or by calling us at 815-338-7722.

**FEBRUARY 3RD:** Students will learn about the power of observation and the necessity of experimentation.

**MARCH 3RD:** All about electricity! Students will learn about circuits and design one of their own using everyday materials. **APRIL 7TH:** Building on what they learned the previous month, students will now work with robotics.

**MAY 5TH:** Have you ever wondered about the size of the planets or distances in the solar system? How about how much it would take to launch a payload on a rocket into space? Answer these questions and learn more about the mathematics of space travel.

#### EXTREME BATTLE BOTS

#### FRIDAY, FEBRUARY 6TH, 2015

Our most popular event returns! Families will be divided into teams. Their goal is to design and build their very own robot, and then they will put it to the test in a competition. (Ages: 3<sup>rd</sup> grade and above)

# FAMILY MISSION NIGHT FRIDAY, MARCH 13TH, 2015

This Family Science Night is out of this world! Participants will go on a daring mission to take an up-close look at a comet as it streaks its way across the galaxy. Their goal is to plot a successful course to rendezvous with the comet, launch a probe to collect scientific data of the object, and keep the astronauts safe. They must construct the space probe while also plotting the correct intercept course and completing station activities. What seems at first to be a routine exploration is filled with challenges and emergencies, and each obstacle that stands in the way of the mission requires all participants to work together as a team in order to make the mission a success!

#### (Ages: 4th grade and above)

#### A NIGHT WITH A MAD SCIENTIST!

#### FRIDAY, APRIL 3RD, 2015 (5:30-8 PM)

Join us for a night of spectacular science experiments! Families are invited to this open-house-style event to explore the science that is around us every day through fun, hands-on activities. Halfway through the event, CLC's resident "Mad Scientist" will put on a series of amazing demonstrations! Parents, siblings, aunts, uncles, and grandparents can work with their children to discover the wonders of science and perform experiments that they can do back at home!

\*\*Cost for this program is \$5 per person. Pizza dinner is NOT included with this program.

#### MESSY SCIENCE!

#### FRIDAY, MAY 1ST, 2015

Our newest Family Science Night features hands-on activities that are fun for everyone! Join us as we experiment with Oobleck, make crazy putty, and create our own lava lamps! And the best part is, you'll get to take your creations home to share with your friends and family!

# ROCKET NIGHT WITH THE FOX VALLEY ROCKETEERS!

#### FRIDAY, JUNE 5TH, 2015

Join this club of model rocket experts as they talk about the basics of rocketry and building rockets. Each family will receive one model rocket and the supplies to build the rocket at the event. Extra rockets can be ordered in advance for an extra charge. All rocket builders will then be invited to a future launch date with the Rocketeers to see their creations fly!

# POLICE DEPARTMENT

## COFFEE WITH THE CHIEF

Chief of Police Robert Lowen cordially invites you to attend his monthly "Coffee with the Chief" open house to share a cup of coffee and let him know what's on

your mind. The informal get-togethers are held the second Monday of every month from 7:00 p.m. to 8:30 p.m. in the Training Room at the Police Department located at 656 Lake Avenue.

Chief Lowen is eager to answer any questions you may have or discuss specific concerns impacting your quality of life in our Community. In addition to Chief Lowen, there is often a guest speaker who speaks briefly about his or her job experiences as they relate to the Police Department or the City, or someone from an outside agency or organization that Chief Lowen feels would be of interest to or beneficial to "coffee" attendees. Recent. speakers have included: Jim Elliot from the Illinois Law Enforcement Alarm System (ILEAS) on how they assist local communities in times of emergency and disaster; Sergeant Ryan Stewart from the McHenry County Conservation District Police Department and Woodstock Police Detective Sergeant Jeff Parsons on the ever-growing problem of sexting among today's youth.

In addition, each of the City's four beats is highlighted individually at least once per year when Chief Lowen devotes an entire meeting to one specific beat. This gives residents of that beat an opportunity to meet and talk in person with one of their assigned Permanent Beat Officers.

If you have a topic you would like Chief Lowen to consider for "Coffee with the Chief," please contact Administrative Office Manager Tamara Reed with your suggestions at 815-338-6787 or at <a href="mailto:treed@woodstockil.gov">treed@woodstockil.gov</a>.

# Senior Citizen Call-In Program

It is understood that many Senior Citizens within our Community live alone without the benefit of a local family member to check on them frequently. In an effort to provide peace-of-mind and a sense of

well-being for our Community's Seniors, the Police Department offers the Senior Citizen Call-In Program.

To be eligible to participate in the program:

- 1. A person must be sixty-five (65) years of age or older.
- A person must live alone in a single-family residence (which includes townhomes, apartments and condominiums) which is not part of any senior citizen facility, senior citizen assistance organization or any other organized assisted living program or situation.
- 3. A person who has no immediate family residing within McHenry County, Illinois.

Those eligible to enroll in the program will need to complete a simple and confidential one-page application form as well as executing a waiver form. It will additionally be necessary that the participating Senior Citizen provide the Police Department with a key to their residence to be used in the event of an emergency. This key will be securely stored in a locked box at the Police Department.

Once accepted into the Program, the Senior Citizen is responsible for calling the Police Department Communications Center between the hours of 6:00 a.m. and 10:00 a.m. each and every day of the week. If this call is not received by 10:00 a.m., a Telecommunicator will call the Senior's residence to check on their well-being. If there is no answer at that time, a Police Officer will be sent to the residence and, using the key provided, will ascertain whether or not help is needed.

Senior Citizens interested in obtaining an application to be considered for participation in the program are encouraged to contact Administrative Office Manager Tamara Reed at 815-338-6787 during the hours of 8:30 a.m. to 5:00 p.m. Monday through Friday.

# Do You Know All About New Cell Phone Use Law?

Distracted driving has become epidemic throughout the area. We have all seen people eating, reading a newspaper, working on a computer and putting on makeup as they drive. Texting, and other electronic device usage while driving, has become one of the most dangerous forms of distracted driving.

Beginning January 1, 2014, a number of new laws concerning wireless telephones and electronic communication devices became effective.

- A person under 19 years of age with an instruction permit or graduated driver's license cannot use a wireless phone while operating a motor vehicle on a roadway.
- Wireless telephones cannot be used by anyone while operating a motor vehicle in a school zone, construction zone, or within 500' of an emergency scene.
- A person may not use an electronic communication device, including but not limited to a handheld wireless telephone, hand-held personal digital assistant, or a portable or mobile computer while operating a motor vehicle on a roadway.

While there are some exceptions to the law such as while reporting an emergency and the continued communication

with emergency personnel during the emergency situation; while the vehicle is parked on the shoulder of a roadway; while using a hands-free or voice-operated mode on an electronic communication device or while the vehicle is stopped due to normal traffic being obstructed and the motor vehicle transmission is in park or neutral, if you have to use a wireless telephone or electronic communications device pull over and park your car.

(Illinois Compiled Statutes section 625 ILCS 5/12-610.1 et. al.)

Additionally, each driver and passenger (both front and rear seat passengers) of a motor vehicle operated on a roadway in this State shall wear a properly adjusted and fastened seat safety belt. A child less than 8 years of age shall be protected as required pursuant to the Child Passenger Protection Act.

# **REMINDER:**

# Pedestrians have the right-of-way

No matter what the season, motorists need to be mindful of the pedestrian's right-of-way at crosswalks. The Illinois Vehicle Code 625 Section 5/11-1002 states, "When traffic control signals are not in place or not in operation the driver of a vehicle shall stop and yield the right-of-

way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk..."

The Woodstock Police Department urges motorists to be alert for pedestrians both on City sidewalks, and the pathways in City Parks, and yield to pedestrians as required by Illinois Law.

# NTER DRIVING TIPS

One of nature's many wonders is the beauty of a fresh snowfall. Too often, however, this idyllic setting is ruined with the sound of the crashing and mashing of metal, plastic and glass as the result of a traffic crash.

Winter weather can create frightening and dangerous automobile travel conditions. Motorists need to be aware of some simple basic safety rules, which if followed, can significantly reduce the potential for them to become involved in a winter traffic crash.

Have your vehicle checked thoroughly by a mechanic prior to winter to look for leaks, bad hoses and belts, or other needed parts and repairs. Replace your windshield wipers and fill washer tank with winter blend fluid.

When driving - accelerate and decelerate slowly. Plan not to have to start or stop quickly, because on slippery roads you cannot.

The normal dry pavement following distance is two to three seconds. On winter roads it should be increased to eight to ten seconds.

Know the type of brakes that your vehicle has and how to use them properly. In general, if you have anti-lock brakes, apply firm consistent pressure. If you don't have anti-lock brakes, pump the brakes gently.

Do not use cruise control when driving where you may encounter slippery surfaces.

Use your seat belt every time that you get into your vehicle.

Thoroughly clean and defrost the windshield and all windows of your vehicle before beginning to drive.

Reduce potential distractions by turning off cell phones and music.

If road conditions are or may become hazardous - stay

If you must go out and you cannot at the very least delay your trip, then don't rush - allow plenty of time to get to your destination safely.

Even if you are confident in your ability to drive well in the snow, you need to be aware that not everyone else can.

# CRIME DOESN'T HIBERNATE

Traditionally, the Police Department finds that the crime rates go down during the winter months, however, this does not mean that all crime rates goes into winter hibernation. In fact, during the holidays we typically see an increase in the incidence of theft. In an effort to help remind us of the things we can do to stay safe, the Police Department would like to offer the following to help you make it harder to be the next victim.

Remember not to leave your vehicle running while parked and unattended, despite the temptation to do so during frigid cold snaps. The consequences could result in the theft of your vehicle or even the issuance of a traffic citation, since it is unlawful to leave your vehicle parked and running while unattended.

Never leave valuables or holiday presents in clear view within your vehicle. Either remove them or lock them out of sight in the trunk.

Always remember to take your keys and lock your vehicle when it is unattended. This is smart practice whether you are parking while shopping, while at work, and even while parked in your own driveway and garage.

Keep your exterior doors and windows locked, especially when you are away from home, even if you are to be gone just for a few minutes. This includes your garage doors for both vehicle and pedestrian access.

If you are going to be out of town over the holidays, remember to get an automatic timer for your lights and radio. Ask a neighbor to watch over the house, to shovel snow, to pick up the mail, and to park in the driveway from time to time.

Don't display gifts where they can be readily seen from a window or doorway.

Be alert and aware. Be attentive to your surroundings at all times.

Do not carry more cash or valuables than is necessary. Be discreet so that you do not attract attention.

Keep your purse close to your body or in front of you where you can see it and carry it with the opening flap next to your body.

If you carry a wallet, keep it in your front pocket where it will be difficult for pickpockets to grab it.

Don't overburden yourself with packages that may make it difficult for you to keep track of your purse or wallet.

When using credit cards to make a purchase, keep the card in sight at all times and be aware of the people around you. Someone could be attempting to copy your card number and information.

#### **VISIT PUBLIC WORKS ON-LINE**

Please visit the Public Works' section on the City's website <a href="https://www.woodstockil.gov">www.woodstockil.gov</a> to learn about the many services being provided by the Department of Public Works.

# **Christmas Tree Collection**

The Department of Public Works will again offer free curbside collection of live Christmas trees for residents as a convenient and environmentally-friendly way to recycle your tree following the holidays. The collection of Christmas trees by Public Works staff will take place on the same day as your normal garbage collection. Discarded live Christmas trees should be placed in the parkway (that area between the street and the sidewalk) by 7:00 AM on your regularly scheduled garbage day.

The City's curbside Christmas tree collection will take place beginning January 2, 2015 and run through January 23, 2015. All live Christmas trees will be collected at the curb and processed through a brush chipper. Be sure that all ornaments, tinsel, lights, decorations, nails, buckets, bags, and stands are removed from the tree or it will not be picked up. Wreaths, roping, and other greens with wire cannot be picked up by the City; they should be discarded with normal house-hold waste for pickup by the refuse disposal company.

When placing your tree at the curb, please be sure that it is secure enough that it does not blow into the street creating a traffic hazard. No other trees or branches will be collected during this pickup program. City employees picking up the Christmas trees also participate in the snow and ice control activities; as a result, winter storm events may delay tree collection.

Please contact the Department of Public Works at 815-338-6118 or <a href="mailto:pwdept@woodstockil.gov">pwdept@woodstockil.gov</a> if you have any questions about this program.

# Winter Park Activities

Looking for some winter fun this year? Woodstock's City parks offer a wide variety of outdoor winter activities. At Emricson Park (900 W. South Street) you can utilize the sledding hill, there's wide open spaces for cross country skiing or snow shoeing, and if it's cold enough, there's a pond for ice skating. The Hennen Conservation Area (4522 Dean Street) offers a different type of experience when it comes to cross country skiing or snow shoeing and it too includes a pond for outdoor ice skating. Ice skating at either location is only permissible when the ice is more than 5 inches thick. Signs are posted with the status of the ice thickness signifying the skating areas as being "open" or "closed". Ryders Woods (751 E. Kimball Avenue) is also a great location to cross country ski or snow shoe, and there is also a small "bunny" hill on the east side of Raintree Park (401 E. Lake Street) for sledding. Contact Public Works for updates on ice conditions, questions about these activities, or other park amenities or go to the City's website www.woodstockil.gov

Discover another way to enhance your enjoyment of the woods during the winter months!

WINTER TREE IDENTIFICATION WALK SATURDAY, JANUARY 17TH, 10:00 AM-2:00 PM

#### **HENNEN CONSERVATION AREA**

You will learn to identify trees based only on their twigs and bark. The first hour of the event will be inside looking at different twig samples; the next three hours will be walking the hiking trails and putting your new skills to use.

Wear appropriate clothing for an outdoor winter hike! Bring your own lunch. There is a \$5.00 registration fee.

To register, call The Land Conservancy, 815-337-9502.

## **FROZEN** WATER PIPES

Each winter, the Department of Public Works receives calls from residents whose water pipes have frozen. The following suggestions can help to prevent pipes from freezing:

- Shut off and drain pipes leading to outside faucets.
- Seal any leaks that allow cold air inside where pipes are located.
- · Locate and insulate pipes that are most susceptible to freezing ~ those along outer walls, in crawl spaces, or in attics. Pipe insulation for this very purpose is available at most hardware stores.
- Leave a cold water faucet open over night at a trickle.
- Make sure the furnace is left on and set no lower than 55 degrees.

Hopefully, with these safeguards, your pipes won't freeze but should you have any problems, or questions at any time, call the Public Works office at 815-338-6118, or via email at pwdept@woodstockil.gov.

#### CHANGES TO GARBAGE SERVICE

On behalf of the residents of Woodstock, the City has amended the contract with our chosen refuse hauler, MDC Environmental, to keep rates as low as possible while providing an even greater level of service. These new benefits will start January 1, 2015.

Because the City has taken over billing of toter service, the rate of \$23 per month to residents will be the same rather than the usual annual increase. Starting with the November billing, residents will find the refuse charge on their water/sewer bills. Because MDC billed before the service was provided and the City will bill for service already rendered, residents will have a short reprieve from their garbage bills.

Garbage sticker prices, however, will rise slightly on January 1, 2015. Yellow garbage stickers will now be \$2.68 each, but the orange yard waste stickers will remain the same at \$2.40 apiece. The additional good news is that the City was able to maintain these prices for an extra year, through December 2016, without another price increase!

Good news is also in store for those needing to dispose of large items. Residents with toter service may put out one bulk item per week for free. Any resident with garbage toter service may dispose of more than one bulk item per week with the use of ONE garbage sticker at a cost of \$2.68. For those using the sticker program, you will also be able to dispose of one bulk item for the cost of **ONE** garbage sticker per item.

As before, any questions about garbage pickup days or service will be handled by MDC at 815-568-7274. To stop or start toter service, call us at City Hall, 815-338-4300.

## ADOPT A FIRE HYDRANT!

Please consider clearing the snow from around the fire hydrant in front of your home when you clear your driveway and sidewalk during the winter. By doing so, you save the Fire Department precious time when called to the scene of a fire. With over 1,400 fire hydrants on the City's water system, it is impossible for the Public Works Department and/ or Fire Department to clear the snow from every hydrant. If every resident, however, cleared a 2-3' radius around the fire hydrant in front of each home

making the hydrant visible, firemen can concentrate on their job, and you will be doing a great service to yourself, your neighbors, and your community. Please, adopt a fire hydrant this winter!

#### TREATMENT PLANT TOURS

Educational Tours: Plant tours explain the treatment process and environmental benefits provided to student groups, youth organizations, and interested residents. To schedule a tour, or for further information, contact our Wastewater Treatment Plant Superintendent or to reach our Water Treatment Plant Superintendent, call 815-338-6118.

#### Visit Public Works On-Line

The Department of Public Works has revised its section on the City's website (www.woodstockil.gov) to make it easier for visitors to access information and to educate our residents and visitors on the many services being provided.

# Questions and Answers About Snow/Ice Removal

## What is the City's salting policy?

The Department of Public Works will continue its policy during the upcoming winter to conservatively apply road salt on our City streets for snow and ice control. This will include reducing the application rate on all major streets; only applying salt at certain locations such as inclines/hills, curves, and stop signs on side streets; and limiting the application of salt on cul-de-sacs and dead-end streets. As a result, not all streets will be cleared to bare pavement following a snow event, and the snow and ice on some streets may not melt as quickly as it has in the past. This may be noticeable to residents and motorists, but doing so goes a long way in protecting our groundwater and surface water resources.

# What are the parking regulations downtown during snowfalls?

Parking will be prohibited on the following streets after 11 p.m. after every three inch or more snowfall, and vehicles may be towed: Benton, from Van Buren to Church; Calhoun, from Tryon to Madison; Cass, from Throop to Benton; Church, from Main to Madison; Clay, from Church to Newell; Dean, from South to Van Buren; East Jackson, from Benton to Jefferson; East Judd, from Benton to Madison; Jefferson, from South to Church; Johnson, from Calhoun to Cass; Main, from Cass to Church; South, from Tryon to Dean; Throop, from South to Washington; Van Buren, from Johnson to Benton; Washington, from Wheeler to Main; West Jackson, from Tryon to Johnson; and West Judd, from Tryon to Throop.

There will no longer be parking bans in the public parking lots, however, vehicles parked in any of the downtown lots may not exceed any 24-hour period. In addition, from time to time, any of the lots may be closed temporarily for maintenance to clear the excess snow. Please observe and obey these temporary closures. Vehicles that are not moved can be towed away at the owner's expense.

# Does the City clear snow/ice from public sidewalks?

With over 100 miles of sidewalk in the City of Woodstock, it is cost prohibitive for Public Works crews to clear all sidewalks. The City encourages all residents to remove ice and snow from public sidewalks in front of their homes and property. The clearing of snow makes it easier for school children and all residents to move safely and quickly throughout the City.

By not clearing the snow from your public sidewalk, school children and pedestrians may be forced to walk along the edge of the street. As this is obviously a safety concern for the City, please be a good neighbor and remove the snow and ice from your sidewalks as soon as possible following a snowfall and help all school children and pedestrians.

# Can snow from private driveways be pushed into the street?

No, this is prohibited by ordinance and creates a traffic hazard by leaving windrows or piles of snow in travel lanes. Each year the City receives several complaints from property owners about their neighbor clearing their driveway and piling that snow along their property. Please respect your neighbors by not

pushing snow from your private property across the street to the parkway in front of your neighbor.

# Why can't the driver raise the plow when he goes past my driveway?

If the driver raises the plow when approaching any given driveway, the snow in front of the plow at that time will be dumped in a pile across the street. The result would be an even greater amount of snow piled by the end of the driveway. Also, with approximately 125 centerline miles of streets to clear and more than 4,000 driveways, it would not be possible for each driver to meet special requests, remember addresses, or even see house numbers late at night. Shoveling snow at the end of the driveway is not a fun job, but unfortunately there is no way to avoid this windrow.

# What will the City do if my mailbox or parkway is damaged by a City snowplow?

The City's large plow trucks cannot always remove the snow all of the way to a mailbox behind the curb without damaging the mailbox. Residents are asked to help by shoveling out the remaining snow so that mail deliveries can continue. Should a mailbox and/or post be accidentally damaged by a City snowplow, the City will repair and/or replace the mailbox with a standard mailbox. Residents and property owners should contact the Public Works Office immediately upon noticing a mailbox and/or post has been damaged. Custom mailboxes and/or posts cannot be replaced by the City, and a resident can elect (with prior approval) to replace their mailbox and/or post and request a one-time, maximum \$75 reimbursement. If replacing your own mailbox and/ or post, consideration should be given to sturdiness in order to resist the force and weight of snow caused by the plows. Contact the Department of Public Works at 815-338-6118 or pwdept@ woodstockil.gov for more information on mailbox replacement.

If damage has occurred to the public right-of-way (i.e. ruts or turf damage) due to snowplowing, contact Public Works immediately to report the problem. Staff will follow-up in the spring *when black dirt is available* to restore the parkway (generally not before May 1).

# Questions and Answers About Snow/Ice Removal

(continued)

## Does the City plow every road in town?

Public Works staff plows over 125 centerline miles of roadway in the city limits; however, three roadways that run through the city limits are maintained and plowed by the Illinois Department of Transportation. These roadways include US Route 14, IL Route 47, and IL Route 120. Questions regarding plowing on these roads can be directed to IDOT's Woodstock office at 815-338-4680.

## PARKING REGULATIONS

#### **NO PARKING**

On downtown streets after 11:00 p.m. after a 3" snowfall or more.

Vehicles will be towed!

#### **NO PARKING**

On all other City streets <u>any time</u> after a 3" snowfall or more Vehicles may be ticketed!

"No person shall park a vehicle on any street for a period of time longer than 30 minutes between the hours of 2:00 a.m. and 6:00 a.m."

(City Code Section 5.3.16)

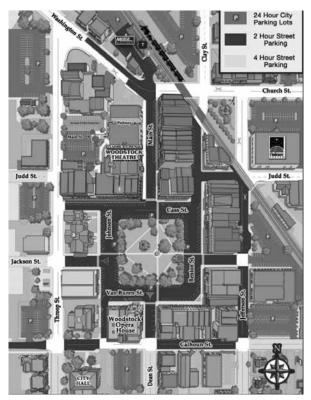

## **WINTERIZATION TIPS:**

With winter fast approaching now is the time to prepare your home for cold weather. Here are some tips to help save some money, and perhaps some hardship, during the winter season.

- Have your furnace inspected and cleaned by a reputable HVAC company.
- Change your furnace filter on a monthly basis during the winter months.
- Clean debris out of your gutters. Ice dams that form not only cause large dangerous hanging icicles, but water could back up into the soffits and potentially get into the exterior walls of your home causing thousands in repair costs.
- Flush your water heater. Sediment that builds up in the bottom of the water tank can cause the heating element or flame to run longer to heat the water this will lead to increased heating costs and premature failure of the tank.
- Reverse your ceiling fans to pull air up to the ceiling and force it out and down the walls.
- Install window insulation film on windowpanes. This will serve as a layer of insulation on the glass. This is especially helpful on single pane windows.
- Install draft guards on the bottoms of doors. This is especially important if there is any gap between the bottom of the door and the floor. This can even help on interior doors, especially if there are some rooms in your house you keep cooler and do not use often.
- Install weather stripping around interior windows and door frames.
- Caulk around exterior windows and door frames.
- If you have a basement or crawlspace with exterior windows, pack the area with insulation.
- Install a programmable thermostat so you can change the temperature at different times of the day.
- If you have a fireplace chimney that you don't
  use, consider installing a chimney boom. This is
  essentially a type of balloon that will expand to fit the
  chimney opening and will restrict air more than just
  closing the damper.
- Insulate any water piping (hot and cold) that you can access. Insulation will help to keep the heat in and the cold out.
- Make sure that anywhere you have water pipes, valves or a meter, the temperature never gets below freezing. If any of these freeze and burst it would cause some very expensive damage.
- If it gets extremely cold, trickle your water from faucets to prevent freezing.

# PARKING IN AND AROUND THE SQUARE

The City of Woodstock provides approximately 1500 FREE parking spots in and around the downtown Square. The Downtown Parking Map shows available parking lots and on-street parking locations along with parking time restrictions. Making it even easier to park and get around downtown is the new Pedway connecting the Throop Street parking lot directly behind the Woodstock Theatre with Main Street and the entire Woodstock Square. Did you know that the train commuter lots are also free? Many other communities charge daily fees at the commuter lots. Don't hesitate to visit downtown for shopping, dining and to catch a show; parking is available. While downtown be sure to visit the eclectic array of shops, boutiques and galleries. A couple of new shops recently opened on the Square: Trésors is located on North Benton St. and Down 2 Earth is on Van Buren St. Support local businesses that support your community.

## **CITY PERMITS**

The Community and Economic Development Department produces "The Permit Process" guide to assist residents in working through the permitting and building inspection process. The 29 page booklet informs residents as to: Why do I need a permit? When do I need a permit? Where do I get a permit and Who will I be working with through the permitting process? In addition, the guide includes contact information for other City and non-City resources that may

be helful during the building process. Stop in to City Hall to get your guide or call to speak with departmental staff before beginning any building project. You may be surprised what does and does not require a building permit in the City of Woodstock. Community and Economic Development is open until 7pm every Tuesday for the convenience of our residents.

# MUNCH MAKES ITS DEBUT

'Munch' opened this summer at 1409 S. Eastwood (Rte. 47) at Golf & Games. Opening to rave reviews, Munch features "Handmade Chef Inspired Cuisine in a Fast Casual Setting. Gourmet Globally Inspired Tacos, Burgers, Sammiches and Hand Dipped Ice Cream Treats!"

# FOR TRIP RESERVATIONS: 1-800-451-4599 (TTY 1-888-454-4724)

MCRide is a great way to get around McHenry County. Whether you need transportation for work, school, shopping, or visiting a friend, MCRide provides an affordable and stress-free way to travel. Simply call the Pace call center (1-800-451-4599) the day before you need a ride and let them know your pick-up and dropoff location, along with your desired pick-up time.

# THANK YOU VOLUNTEERS

Throughout the year, the Department of Public Works was honored to work with many service organizations, youth groups, and families to identify and complete community service projects. There were many successful volunteer projects during 2014, and we would like to thank the hundreds of volunteers who provided their time, labor, and enthusiasm to provide the following services:

Woodstock Garden Club - Maintenance of planting beds in Park in the Square, Church & Clay, and Blue Star Memorial in Sesquicentennial Park. The Club also planted, and maintained flower beds at the train station's platform shelters and created holiday arrangements at the depot.

Woodstock High School Teacher Bill Donato and students - Continued brush clearing and trails mulching at Albert/ Gerry Street Nature Area.

**Kishwaukee Valley Garden Club -** Flower planting, holiday arrangements, and maintenance of downtown urns.

Woodstock Little League - Sullivan Field maintenance.

**Woodstock Girls Softball League** - Donation of 2 semi-truck loads of field mix for fields at Bates Park.

**Centex Homes -** Donation of a Park Bench for Raintree Park

**Alan Cornue** - Donation of 3 White Oak, 4 Burr Oak, and 3 Hickory trees planted throughout the park system.

**Grace Lutheran Church** - Painting of park entrance signs.

**Woodstock High School** - Donation of student time. Student field day at Dream Field.

Woodstock High School Senior Service Day – Painted fountain at Sesquicentennial Park, painted ID signs at Banford Road Park and Olson Park; completed roadway cleanup on Brown St., Washburn St., East Lake St., Queen Anne Rd. & Zimmerman Rd., painted picnic tables at Emricson Park pavilions, painted fire hydrants, installed Funbrellas and diving boards at Woodstock Water Works, raked pools & sand playground, set up tables & chairs, painted picnic tables at Emricson Park pavilions, spread mulch at various locations, cleaned up area at Albert/Gerry Street Nature Area.

# THE CITY OF WOODSTOCK GRATEFULLY THANKS EACH AND EVERY VOLUNTEER WORKING TO BETTER OUR COMMUNITY.

In addition to these wonderful service projects, the Department of Public Works provides support to organizations who have adopted over 8 centerline miles of very visible roadways under the **Adopt-A-Highway** program. The following groups provided services during 2014 to clean up their adopted roadways, and the City extends grateful appreciation to:

Creekside Middle School, Best Buddies

Cub Scout Pack 350 (sponsored by Dean Street School)

D200 Life Connections (Woodstock North High School)

Grace Lutheran Church, Youth Group

Iron Justice, McHenry County

Jewel Food Store, Woodstock

Marian Central Catholic High School Senior Class

# RECYCLING BINS AVAILABLE AT CITY HALL

With the wide variety of materials that Woodstock residents can recycle through MDC Environmental Services, some households may need more than one recycling bin. If you need additional recycling bins, they are

available at the information desk located on the first floor of City Hall. Two styles of containers are available: a carry-style bin for \$8.00, and a wheeled recycling toter for \$40.00.

Residents are encouraged to print their street addresses clearly on the bins. Hopefully, any found bins will then be returned to the correct house if the bins blow away.
